The Walter Project is dedicated to Chris Walter and his parents, Nilia and Kenneth. Several years ago Chris suffered a spinal cord injury and has limited accessibility around his home, particularly to the outside, where he loves to garden.

The scope of this project is to make the Walter’s home more accessible and comfortable for Chris and his family by adding a bay window to Chris’ room, steps to the wheelchair ramp to the front of the house, grab bars in the bathroom, and removing the curb from the driveway to the street.

We are asking for donations of time, resources, material, and money to help make this project a reality. If you care to learn more about Chris and the CM Cares Program, or how to donate please visit: [www.cm.colostate.edu](http://www.cm.colostate.edu) - Click on CM Cares or visit [www.cm.colostate.edu/cm-cares/donate.aspx](http://www.cm.colostate.edu/cm-cares/donate.aspx)
Instructions

   Credit Card #: ________________________   Exp. Date: __________

Gift Acknowledgement
The full amount of your donation will be used to support the CM Cares program and projects. Please indicate below if you have a preference to support a specific CM Cares project. Once projects are fully funded remaining donations will be used to fund CM Cares initiatives.

□ Grashorn Family Project: Addition of a wheelchair accessible entrance into the home with an outdoor shade structure in the backyard to allow family members to be together, including Gavin, who is unable to sit or walk on his own but wants to be outside with his little brother, Jameson.

□ SAVA Project: Non-profit organization that provides comprehensive services for sexual assault victims will receive a wheelchair accessible entrance and ADA-approved bathroom to meet the needs of clients.

□ Walter Family Project: Home modifications to improve accessibility, including bathroom handrails, a bay window with rollout garden boxes, new driveway, and a wheelchair ramp into the backyard to allow Chris to continue his passion for gardening.

□ Donate to the CM Cares general fund. These contributions will be used to supplement current and future CM Cares projects.
