How to Add the CM Minor

Interested students must meet with a CM Advisor to declare interest in the minor and will be given an override to register for CON 101. Students will complete an online application and once they satisfy the following admission criteria will be admitted and allowed to register for additional CON courses required for completion of the minor:

- 2.75 cumulative CSU GPA
- Completion of CON 101 with a B grade or better
- Completion of CO 150 with a B grade or better
- Completion of MATH 125 with a C grade or better

Students are admitted to the program each semester in May and December based on academic performance in regards to the criteria listed above. To make an appointment with a CM Advisor, call 970-491-7354 or e-mail cmadvising@colostate.edu.
